NEWSLETTER

JULY- 2026

A coalition rooted in communities, leading
impact to build the Syria we envision

BACKGROUND:

Syrian NGOs were established in response to the humanitarian crisis that erupted in Syria after 2011, with the aim of addressing the growing humanitarian needs of affected populations within the country and in neighboring states. As the crisis evolved, several of these organizations recognized the need for a unified coordination framework to consolidate efforts and agree on joint advocacy messages related to humanitarian and development issues.

The Syrian NGO Alliance was launched in April 2014 in Gaziantep, Türkiye, as a coordination and representative platform for Syrian civil society NGOs. With the onset of the transitional phase after December 2024 and the changing national context, the Alliance adapted its role to align with new priorities related to recovery, strengthening the resilience of local communities, and contributing to reconstruction. The Alliance commenced its operations from the capital, Damascus, following the acquisition of the necessary legal registrations for its member NGOs to operate within Syria.

HOW ARE WE?

The Syrian NGO Alliance is an independent national network comprising Syrian civil society NGOs working in the humanitarian and development sectors, committed to international humanitarian standards and the principles of transparency, accountability, and good governance.

Building on field experience accumulated since 2011, the Alliance serves as a coordination umbrella for its members, enhancing collective action and joint advocacy to ensure that the voices of affected communities are heard at both national and international levels. The Alliance also plays an active role in supporting the coordination of humanitarian responses and recovery efforts, as well as contributing to dialogue on humanitarian and development policies in Syria.

OUR VISION

A community-rooted alliance leading impact to build the Syria we aspire to.

OUR MISSION

A national alliance that brings together Syrian civil society organizations to coordinate humanitarian and development efforts, support recovery, promote community participation, and advance evidence-based advocacy, in order to protect Syrians' rights, strengthen their capacities, and contribute to rebuilding the modern Syrian state.

OUR VALUES

Trust. Solidarity. Effectiveness. Participation. Independence.

NEWSLETTER OVERVIEW

This month's bulletin includes 15 activities implemented by 15 organizations across 5 humanitarian sectors, covering Food Security and Livelihoods, Protection, Health, Education, with particular emphasis on Food Security and Livelihoods, Health, Protection, and Education. The bulletin also highlights two advocacy outputs, including a media intervention by the Coordinator of the Syrian NGO Alliance on the Syrian News Channel addressing humanitarian developments in Aleppo, as well as the Alliance's engagement in national capacity-building efforts related to risk education on explosive remnants of war and humanitarian negotiation, as part of its ongoing national-level coordination role.

ADVOCACY UPDATES

➤ SNA ADVOCACY ACTIVITIES

On **16 July 2026**, the Syrian NGOs Alliance (SNA) convened a strategic follow-up meeting with the Centre for Humanitarian Dialogue / Centre for Competence in Humanitarian Negotiation (CCHN) to comprehensively review and evaluate the outcomes of the recently delivered Humanitarian Diplomacy training. The discussion primarily focused on strategically mapping out the next operational steps and identifying future capacity-building priorities, laying the groundwork for a planned series of specialized upcoming training sessions, the specific topics and dates of which will be finalized and announced in due course.

On **21 July 2026**, the Syrian NGOs Alliance (SNA) formally reviewed the detailed outcomes and key highlights emanating from the inaugural periodic meeting held between the National NGO Chamber and the Ministry of Social Affairs and Labor (MoSAL). This foundational meeting was dedicated to fostering closer institutional coordination and addressing operational bottlenecks; key discussion points encompassed establishing a streamlined "single-window" system to standardize procedures and regulatory approvals across various governorates, fully operationalizing the digital "Tasharak" platform, and rolling out a unified procedural guide. Furthermore, the dialogue addressed pressing operational issues, including social security obligations, banking and financial transfer constraints, updates regarding the new NGO Law, and potential avenues to enhance operational partnerships through the Ministry's network of community development centers.
